Tarks Of Dania Beach, the very first & original Tarks, began in 1966 as a small clam stand serving clams, wings & beer to locals & tourists. Before long, the seafood & wings gained a reputation among the ever-growing crowds as the best around! This first-ever Tarks was intentionally built small to maintain the casual atmosphere & legendary quality Tarks has become so well-known for & stands as you see it today.

The entire Tarks team welcomes you! Thank you for coming.
